M. Cory, to H. L. Stewart,

Esq., No. 137 Second Street, New York. SPARTA, June 80, 1849. Dear Friend Stewart:—I have been home now just two months. When I last saw you I had but little hopes of ever getting any better. But I have now the pleasure of hanking you for recommending me to take Dr. Rogers' Svrup of Liverwort, Tar, and Cauchalagua: I got a dozen bettles of it and took home with me, determined to make a fair tist of it, as I had done with averething else. I have only in on four as I had done with everything else. I have only to en four bottles of it, and I must say it has done me more good than any other medicine I have ever taken. On my first saking it, it increased the expectoration, and I raised a great deal of bloody matter from my lungs. But that has now quased, and so has my cough, nearly. I cough but little now, and expect soon to be entirely free from it. I consider it an invaluable medicine, and shall recommend it to all who are afflicted with a cough or diseased lungs.

I let a young lady, who had the Consumption, and had bled a good deal from the lungs, and doctored several months with our Physician, but grew worse, have a bottle of it, and it cured her. It acted almost miraculously in her case.

Bleeding at the Lungs Cured!

SEE HOW PROMPTLY IT ACTS!

Statement of Mr. A. Lang, Baker, No. 888 Pearl street, N. Y.—A few days before last Christmas I was taken unwell, and soon commenced bleeding freely at the Lungs. I called in a Homepathic physician, but his medicine did not seem to help me. I read your advertisement, and thought I would try Dr. Rogers' Syrup of Liverwort, Tar, and Canchaiagua.
Before I had taken up the third bottle, my bleeding had
stopped, my cough was gone, and I felt well as usual. My
health is now good. I consider it a most excellent meilicine, and cordially recommend it to my friends. [This statement] was made to the proprietors, March 12th, 1850.]

As no ordinary sized advertisement can fully explain the nature and merits of this article, the Proprietors have published a new Circular, giving the history of this medicine; the description, nature, &c., of its principal ingredients; the effect they are designed to have upon the Lungs and Liver, and a copious reference to the persons who have beer cured by it—giving their names and residences, even to the street and the number. Those who are troubled with a Coagh, or whose Lungs are in the least affected, are earnestly desired to call upon the Agents named below, and procure one of these pamphlets. TRANSYLVANIA LAW SCHOOL.

THE departments of this School have been filled and extended by the appointment of the Hon. THOMAS B. MONROE, who has long been a successful instructor in various branches of the Law, to the professorship he has accepted. The faculty therefore consists of The Hon. GEORGE ROBERTSON, (late Chief Justice of Kentucky,) Professor of Constitutional Law, Equity, Juris-prudence and Pleading, and the Law of Comity. The Hon. THOMAS A. MARSHALL, (late Chief Justice

and now Judge of the Court of Appeals of Ky.,) Professor of the Common Law, Elementary and Practical, including Pleading and Evidence. The Hon. THOMAS B. MONROE, (Judge of the U. S. Dis-

trict Court for Kentucky,) Professor of Civil, National, Criminal and Commercial Law. And M. C. JOHNSON, Adjunct Professor, who will attend the class in the casual absence of the regular Professors. The winter session of this School will commence, as usual, on the 1st of November, and will be prolonged to five instead of four months, as heretofore. This extension of the stead of four months, as heretotore. This extension of the session will enable the Professors to give a more extensive and thorough course of instruction, which will be carried on principally by daily examination in designated portions of the text books, with such explanations and illustrations as may be deemed necessary, and also by Moot Courts, for pleading and the discussion of legal questions, and by requiring from the students written exercises in drawing up bonds, deeds and other legal instruments, arguments and opinions. The attention of the students will also be specially directed to the history of Jurisprudence, and to Civil History as connected with the progress of the Law, and to the Federal Courts. The books will be principally such as have been heretofore used, to be furnished by the students.

The extension of the session and of the course of instruc-tion will produce some increase in the cost of the Professor's tickets, the particulars of which will be hereafter announced. It is expected that there will be a second session of five months in each year, and in fact that arrangements will be made for a continuance of regular study and exercises during the whole year, by such students as may desire it. Diplomas will be granted at the end of each session to such as are found qualified to receive them. M. C. JOHNSON, oct21-trtf Chairman Board Trustees.

IN GREAT DEMAND. VE are supplying as fast as we can manufacture them, the popular Wrought Iron Cooking Stove called THE TENNESSEAN, and we offer the following good and sufficient reasons why it should be in every family in the South:

1st. It is of Southern manufacture, being made by the subscribers in the city of Nashville.

2nd. It is of such durable materials that it must out last three or four cast iron stoves. 3rd. It is more complete in its cooking apparatus than any cast iron cooking stove.

4th. It is so complete in its construction, that a child can 5th. Its economy of fuel is such, that it does not use half as much fuel as a cast iron stove of the same size.

6th. In economy of time it is important, as it can be heated ready for cooking in a few minutes. 7th. Its uniform regularity, as every part of the stove is equally heated at the same time.

Sth. Its perfect reliability, as we have put up over 400 of them in this State. them in this State, and no one has ever failed to give en-

tire satisfaction.

The Tennessean has now been before the public for five years, and if not as new as some, it has another advantage quite as great, viz a well earned reputation and a rising credit. It has been doing the work of many hundreds of families for several years, and it may be said, TO HAVE ES-TABLISHED ITSELF IN BUSINESS. Competition and change have done it no hurt. Like an old and well known trading house that retains its regular custom, while new ones are springing up around it, so this stove has held on its way. No stove could thus steadily and permanently prosper, that has not sterling qualities—the true element of success. The Tennessean started on right principles, and has had no occasion to stop for improvements. Those who have used it, are determined still to use it, without modification or change. It is brought forward as the same substantial, convenient, business-like stove, that has served the public so well heretofore, and that has done its full share in gain for our establishment the reputation it enjoys; of keeping the

DE. BLEDSOE'S ALTERATIVE COMPOUND The Remedy over all Remedies for the Diseases of the Liver Dyspepsia, Enlargement and Inflamation of the Spleen Hearthurns, Colic Flatalence, Files, Constarpation, all diseases of the Boueis, and such diseases as arise from a disordera state of the Stomach, Liver or Bouels, as Scrofula and Sores of any kind. For General Debitty, from which Ladies frequently suffer, there is not the equal in the whole Materia Medica.

THE inventor of this preparation was for three years a completely prostrated from Dyspepsia and inactivity of the Liver that he was frequently for weeks at a time unable to raise himself from his bed. He sought aid from physicians at home and in Europe, but in vain; his case was pronounced hopeless by thousands, and it was by accident that he succeeded in curing himself. Since he has been practicing medicine, his success in such cases has been unrivalled. He has been aware of the incredulity of the public, and consequently said nothing through the press of his own case, until the character of the medicine was fully established by its success, as shown by the certificates which have been advertised.

I subjoin the certificate of Prof. M. Gabbert, of Memphis, Tenn., with whom I often advised during the time of my

Manpurs, Tenn., April 17, 1552. I hereby certify that I have been acquainted with Dr.J. N. Bledsoe and some years ago he was reduced I celeve lower than I have ever seen any one that afterwards recovered, with what I supposed to be Dyspensia and Liver affection, and after trying the prescriptions of many Physicians in this as well as other countries, without relief, he finally succeeded with a preparation of his own in being restored to good health.

M. GABBERT, M. D.

Physicians are requested to try this preparation. We feel satisfied it will sustain the character we give to it in this

Dr. Blerson:—I take the liberty and fell it to be my duty to recommend to all persons suffering from disease of the stomach and bowels, your Alterative Compound, as a very seperior medicine. My son, aged 15 years, had been under medical treatment about five years for dyspepsia and diarrhea—when having almost despaired of his recovery, I concluded to try your Alterative, two bottles of which, I believe, entirely cured him.

MICAJAH CAYCE. HENTSVILLE, Oct. 17, 185%

Dr. Blenson:—Some time has elapsed since I gave a cer-tificate that my wife had been greatly benefited by your Alterative Compound. I now take pleasure in saving to the public, that my wife had for three or four years been subject to the worst kind of spells of cramp in the stomach from dyspepsia. I had tried of several whom I thought to be the best physicians in the place and a great many differen medicines, with momentary relief. Being persuaded to try your alterative compound, I did so—and I am happy to say that it has entirely cured her; and I would conscientiously recommend it to all persons suffering from diseases of the liver and dyspepsia.

N. B. ROBERTSON.

HUNTSVILLE, Sept. 29, 1851. Dr. Blerson-Having seen the publication of your Alterative Compound, I think it my duty te say to the public, that I had been for years subject to spells of Cramp Colic, in its worst form; that I had tried aimest every thing that is given by physicians, and never found any thing that would certainly relieve me, until I tried the above medicine, which are relieved me in every attack in less than an hour.

WM. B. LLOYD.

Grass County, Tenn., Dec. 23, 1851.

Dr. Bledsoe:—I feel that I should fall short of my duty to you and to those who are afflicted, were I not to further recommend your Alterative Compound. It has entirely re-lieved me, so that I have not had cause to take anything in two months. I can est anything I want with impunity, and believe my health is as good as it ever is at my advanced age. Should I ever suffer from dyspepsia again I shall be sure to call on you. I am very respectfully your friend.

ELIZABETH J. HARWOOD.

HUNTSVILLE, Ala., August 24, 1851.

This is to certify, that I had suffered for many years with Dyspepsia and Diseases of the Liver. Physician after Physician had prescribed for me without my receiving any ben-efit, when I commenced the use of Dr. Bledsoe's Alterative Compound, which cured me soundly, and I recommend it because of the same happy effect upon others of my acquaint JOSEPH CAROTHERS. HUNTSVILLE, Ala., March 3, 1852. Dr. Bledson:—Sin: Judging from the certificates you have already advertised, it will be almost unnecessary for me

to add further evidence in regard to the healing virtues of your Compound; but I must say, that for years I suffered a great deal from Dyspepsia and enlargement of the spleen, and thought that I never would recover. I commenced taking your compound about nine weeks since, and have gained 25 or 30 pounds, and feel about as well as I ever did. HENRY J. GOFF. The above medicine is for sale in every Drug Store in the city, and most of the towns in the State. G. W. HEN-DERSHOTT, General Agent, for wholesaleing the med-icine.
